Sir,

Sub: MATERNITY AND CHILD HEALTH - Mangalore Municipality - Kumari Laura Miranda, Temporary Municipal Health Visitor - regular appointment of - sanction - requested.

Ref: D.P.H's letter in L.Dis.29224-E3-54 dated 16-8-1954.

Kumari Laura Miranda, who possesses the Diploma in Nurses Training and Midwifery granted by the Board of Examiners at Madras, was appointed temporarily in the additional post of Health Visitor sanctioned by Government under regulation 9(1) of the Public Health Regulations in consultation with the Director of Public Health and with the approval of the Executive authority as she does not possess the qualifications prescribed for the said post.

On the petition submitted by her to Director of Public Health, requesting either to grant her exemption from undergoing the training course to acquire the necessary prescribed qualification for the post or to extend her the benefit of the provision under regulation 10(1) of the Public Health Regulations, Director of Public Health informed in his letter in E.Dis.29224-E3-54 dated 16-8-54 that the Commissioner may address Government for approval for appointing Kumari Laura Miranda as a regular Health Visitor.

There is dearth of qualified hands for appointment as Health Visitor. The additional post of Health Visitor sanctioned by the Government was vacant for a long time for want of ~~non-availability~~ of qualified hands. The services of Kumari Laura Miranda as Health Visitor in the Municipal Maternity Home where there are four beds are found to be more useful than a qualified Health Visitor.

In view of the above facts I request that Government may be pleased to accord early sanction for the appointment of Kumari Laura Miranda, who is now continued temporarily, as a regular Heal Visitor in this Municipality.
